## IT'S TIME TO CHOOSE/MEDICARE PART D

Medicare recipients with Part D drug coverage have from Nov 15 to Dec 31 to compare drug plans -- and if they wish, switch to another one for the next year. Your 2007 plan might not be the best for you in 2008.

### THINGS TO DO:

Read the "Annual Notice of Change" that your plan sent to you by Oct 31. Check for changes in pre-

miums, deductibles, co-payments and coverage in 2008.

Check the drug formulary to see if your prescriptions are covered. Contact your Part D provider if you are uncertain regarding your particular prescription coverage.

To compare your coverage with other plans: call Medicare at 1-800-633-4227 and ask for plan

comparison or go to [www.medicare.gov](http://www.medicare.gov) and click on "compare medicare prescription drug plans". Have a list of your prescriptions and dosages written down for reference during the call or website use.

If you switch plans, do so by first of Dec for smooth transition. If you do not switch, you do not have to do anything.
